Report of Principal and School Improvement Council

The mission of Edwards Elementary is to prepare students to become responsible individuals by creating a positive environment where dedicated staff, parents, and community members work together to provide opportunities for success and creativity through academics and the arts.

Our staff continued to grow professionally throughout the school year with the help of literacy, reading, and math workshops. RTI teachers have continued to contribute to the growth of the Doninie Reading levels of our primary students. A new academic program entitled, The Kindergarten Connection, has helped to bridge the gap and better prepare students for first grade. This program continued through the summer to address social development and academic weaknesses.

Our school continues to be one of the most technologically advanced elementary schools in the district. All classrooms are equipped with computer, printer, Promethean boards, LCD projector, ACTIV votes, and wands. With the use of our V-brick, we can telecast our news show into each classroom throughout the school.

The growth rating and AYP on the annual report card remained unchanged. Edwards exceeded the state average for students scoring Exemplary in math, science, and social studies.

Edwards Elementary was also very proud to have a national winner in the National Career Development Association Poetry and Poster Contest.

Edwards continues to stress the importance of community services by holding fundraisers for Pennies For Patients, Relay For Life, Paws & Claws, Connie Maxwell Home, St. Jude Hospital, and care packages for soldiers.

We thank every parent and community member for your continued support of our school.
